This newsletter finds us quickly approaching the halfway point of Term Three. It is funny how the year seems to disappear faster as you get older!! Our younger students enjoyed a sensational presentation of Stradbroke Dreaming yesterday. It was great to see that a former Glenmore Primary student was one of the presenters. He did a fantastic job engaging the audience.

We had some of our instrumental students participate in the Combined Schools Concert earlier this week. It was a great opportunity for our students to showcase the many hours of practise required to play an instrument. They all did a wonderful job!!

The Year 7 into High School Pilot is progressing well with many of our Year 6 students completing the Enrolment Forms and attending interviews at Glenmore High School. We had Mrs Jones from the High School talk to the Year 6 & 7 classes today about how the High School operates and shared key dates and forms. Students in Year 6 & 7 who are attending Glenmore High School next year will also need to complete an Enrolment Form and return to the Office. Each family will also attend an interview prior to the enrolment taking effect.

It is unfortunate that we need to remind parents and carers of the expectations around the use of appropriate language whilst on the school grounds. I have received some reports of visitors to our school using obscene language while talking to other members of our school community. Adults should be setting a good example to our students. It is also timely to reinforce that smoking is prohibited in all Government buildings and grounds. Please butt out your cigarette prior to entering the school.

Glenmore Primary School is committed to successfully implementing Explicit Instruction into every school day. We have been successful in becoming a Flemming School which means we will receive intense support from CQ Regional Office as well as being mentored by John Flemming, a leader in using Explicit Instruction to improve school performance. This will commence next week with a team from Glenmore attending network training days on Wednesday and Thursday.

You are always welcome at Glenmore Primary School.

Principal
