Glenmore Greats Term 3
Welcome back to Term Four. I trust everyone had an enjoyable holiday!

This term is quite a busy one with swimming, Report Cards, Graduation Celebrations (for Yr 6 & Yr 7), School Concert, Awards Day, Transition Activities and Interschool Sport just to name a few of the events and activities being held. I encourage you to read each Newsletter for information relating to these events.

Our 2013 staffing is starting to be finalised with two teachers receiving a transfer and a permanent Principal appointed. Ms Laws and Mrs Lancaster have both received transfers to other schools next year. It is disappointing for Glenmore to lose these teachers but most certainly a gain for their new schools. Mrs Christine Hill has been appointed as permanent Principal of Glenmore Primary School commencing next year. Mrs Hill is currently the Principal at Moura State School and is looking forward to visiting our school later this term.

If you have a child, or know of a family who has a child, born between 1 July 2007 and 30 June 2008, it is time to enrol them into Prep for 2013. Please contact the school office to gain an Enrolment Package. It is important to enrol now in order to receive the relevant information and be informed of the Prep Open Days to be held later this term.

As we commence a new term it is timely to remind the school community about the dangers of driving and parking inside the school grounds. It astounds me that we have a number of families that think it is ok to put the lives of our students at risk by driving into the school grounds both before and after school. The gates will be locked at certain times to ensure the safety of our students and cars inside will need to wait for all students to clear the grounds before being able to drive out of the school grounds. I seek your continued support in this regard.

Please be aware that water balloons and other ‘devices’ are not permitted at school as part of our school policy and due to workplace health and safety concerns. Students who bring these items to school will be in breach of these policies. I ask that you speak to your child about not bringing these items to school.

Included in this newsletter is a Parent Survey which is seeking your feedback on our behaviour management processes. Our PRAISE team have been working on ensuring the school processes are known and understood by the whole school community. It would be appreciated if you could complete the survey and return it to the school in order for the PRAISE team to collate and review the responses which will be used for future school planning.

We are all looking forward to a productive Term Four.

You are always welcome at Glenmore Primary
Steve Conner
PRINCIPAL

Happy birthday to the following students who are celebrating their birthday in the upcoming week Jack Carroll, Phoebe Gabel, Jamahi Marhaba and Aleksandr McCarthy.

Students of Year 2 and 3 will be learning about the care of their pets and responsible pet ownership this term. Through the Australian Veterinary Association (AVA), we have engaged the Pets and People Education Program (Pet PEP).

Presenters from Alma Street Veterinary Hospital, Rockhampton Wildlife Rescue and the RSPCA will visit the school on Tuesday 16 October to talk to the Year 2 and 3 students. They are bringing pets with them to show students how to care for their pet’s health, prevent a bite, responsible pet ownership and wildlife in the backyard.

This is a voluntary service however a gold coin donation per child (handed to your classroom teacher) to help continue the program is greatly appreciated.
Congratulations to the following students for the great effort this week:

Prep: Prateek Poudel, Wyatt Hewitt, Carole Hirst
Year 1: Luke Graham, Haylee Burrows, Franz Bongco, Portia Foley, Eleora Muekia, Blaise Floute, Cori Hartog
Year 2: Isaias Lopes, Tyson Flute, Jai White, Lacey Groombridge, Mykel Hermann, Jara Gallardo, Breeanna McCallum
Year 3: Year 4: Year 5: Year 6: Year 7:

AMCA

AMCA Cybersmart Outreach-Internet Safety Awareness Presentations
The Australian Communications and Media Authority will be providing Cybersmart talks to our staff, students and community. These sessions will be held on Wednesday, November 14.
The year six and seven students will learn about being cybersmart during school time. A parent/caregiver session will be held from 6.00pm in the school's staffroom. Both sessions are free of charge and run for about 60 minutes. Each week leading up to the presentation we will be sending home a brochure that contains more information about being cybersmart. This week's brochure is titled "Mobile Phone Safety".

BOOKCLUB ISSUE 7

Bookclub is due back at school on October 25. Please hand in your orders to the school office.

PLASTIC BAGS WANTED

The library is in need of clean, dry, plastic shopping bags. If you have any you would like to donate, please send them to the library. Thank you.
