In Year 1 we are learning about people who help us and what to do in an emergency. It would like to remind you of a few fire safety rules:

- Don’t hide, scream and shout!
- Get down low and go, go, go!
- Get out and stay out!!!
- Stop, Drop and Roll

In an emergency call 000.
PRINCIPAL'S NEWS

The Glenmore State School community should be very proud of our students who represented the school at the Rockhampton and District Athletics Carnival held at Rockhampton High School. The carnival was held on Monday and Tuesday this week. I went and watched the students participate on Tuesday and received many positive comments about the behaviour and sportsmanship displayed by our competitors. The weather could not have been better for the two days. I thank Mr Edwards, Mrs Saunders, Mrs Stewart and Mrs Lancaster for accompanying our students for the two days and officiating at the carnival.

Families are reminded that students should not be arriving at school before 8.00am each morning. This is a safety issue as the school cannot provide supervision of students who arrive prior to this time. Students are required to sit in the Covered Area until the 8.25am bell sounds, then they are able to move to their classrooms. I thank you for your assistance in ensuring the safety of our students.

Electronic devices (mobile phones, Ipods, games, etc) should not be brought to school. The school assumes no responsibility for the theft, loss or damage of these devices. If students do bring them to school they need to ensure that they are secure at all times. The Responsible Behaviour Plan for Students outlines the school policy in this regard.

We are providing our students with a number of opportunities to participate in extra cultural and academic performances over the next few weeks. Students in Prep to Year 4 will be attending the Stradbroke Dreaming performance on Wednesday 8 August. Students from Years 6 and 7 will be attending the Maths Team Challenge next Wednesday and students in Years Prep to 3 will have the opportunity to attend the Fun with Maths sessions on Thursday. Students in Years 4 to 7 will have the opportunity to attend Toon School on Tuesday 14 August. Some of these activities will require a small payment, further information will be sent home through newsletters and notes.

Parent and Teacher interviews have commenced and are going well. If you haven’t already made an appointment with your child’s teacher, I urge you to do so in order to discuss your child’s progress.

Miss Pitts is currently on two weeks leave and Mrs Lanyon will be Acting Deputy Principal during this time.

You are always welcome at Glenmore Primary School.

STRADBROKE DREAMTIME

FREE PERFORMANCE FOR ALL PREP TO YEAR 4 STUDENTS!!

When: Wednesday 8 August – two performances – 12.30pm and 2.00pm

Where: Basketball courts

In this newly created work from Queensland Theatre Company and QPAC, Oodgeroo’s stories come to life on stage helping young audiences to share in her tales of growing up on Stradbroke Island. Stradbroke Dreamtime will expose audiences to themes and ideas around Aboriginal culture, dreaming story and family. It is a valuable example of theatre for young people.

Glenmore State School is very excited about this upcoming performance as one of our past students is in the cast. Ben Maza attended school here and then went to Glenmore High School. It is wonderful to see past students and celebrate their successes. It also reinforces to our children the importance of learning and getting a job.
