On 9 August, Prep to Year 3 students enjoyed hands-on problem solving activities with Geoff Todman’s “Fun with Maths”. Thank you to the Year 6 students who helped with the reading of instructions.
Representatives from the Commonwealth Bank presented the school with the 10 iPads and cheque for $1000 which was part of the prize pool won by Lachlan Smith through the Be a Dollarmate competition.

Lachlan submitted a savings tip and deposited 5 times to enter the competition. The iPads are currently being accessioned and set up for student use. Once this has been done they will be made available to classes. We will also receive a further 10 iPads from Education Queensland for use in our SEP.

As mentioned on Parade last Friday, violence is not OK! There have been many stories in the news where fights have resulted in serious injuries or even death. The Queensland Police Service launched the One Punch Can Kill campaign, which you may have seen in the media lately. This is a very real message. Glenmore Primary School is committed to the safety of all members of the school community and as such has a clear expectation that students respect other people and keep their hands, feet and objects to themselves. All incidents of ‘hitting’, either initiated or in retaliation, are investigated and followed up as per our Responsible Behaviour Plan for Students. I would appreciate it if all parents and carers support the school message that it is never OK to hit anyone. More information about the One Punch Can Kill campaign can be obtained from the website www.onepunchcankill.qld.gov.au.

The School Opinion Surveys have been distributed again this year. Each year, Education Queensland asks Staff, Students and Parents to complete a short survey which is used to inform future planning and assists in setting the strategic direction of the school. Students in Years 5 and 7 have completed the survey along with all staff. A random selection of parents was chosen using a formula provided by the department. If you did receive a survey please complete it and return it to the School Office as soon as possible. The surveys are sent to Brisbane to be collated and the results are returned to the school.

We have had some of our teachers attending sessions on PAT-R Data Analysis this week. These sessions have allowed for a focussed analysis of the reading data collected from each of the year levels involved. Understanding where each student is at in relation to their reading allows for a more focussed program to be delivered by the classroom teacher.

You are always welcome at Glenmore Primary School.

NAME THE CRANE

Name the crane and win an iPad!
A new crane is helping with construction at Rockhampton Hospital and it needs a name. Visit http://www.health.qld.gov.au/co/cancer-care/ to download an entry form, then colour in the picture of the crane, give it a name and tell us why you chose that name. Entry forms are also available from the Information Desk at Stockland Rockhampton. (Must be aged 3-14 to enter)
The winner will receive an iPad donated by Managing Contractor Hansen Yuncken.
Entries close at 9am on September 17, so get colouring!

THE GIFT OF ASPERGER’S

The recently published book is now available for loan in your school library. Electronic versions can also be purchased from www.lulu.com.
The Gift of Asperger’s is a collection of photographs and stories by people who live each day with Asperger’s Syndrome. The book has been designed to be used by everyone as a way of understanding the challenges and, sometimes, the joy and benefits of living with this condition.
The Gift of Asperger’s has been a participatory project by PhotoVoice Australia.
