234E have been learning how sound is made on an African drum. They have had a great time designing and making their own drum and tapping out rhythm patterns.
PRINCIPAL’S NEWS

It has been glorious weather of late and students are enjoying the sunny days when playing on the ovals. With the cool starts each morning and warmer days, it is essential that jumpers and coats are labelled with your child's name in order for us to reunite them if they become separated. Sun safe hats are part of the uniform and are needed for PE lessons and to play at lunch breaks.

Miss Pitts has returned from leave this week and resumes her role as Deputy Principal. Mrs Lanyon took on the role of Acting Deputy Principal for the last five weeks. Thank you Mrs Lanyon for stepping up and doing a wonderful job!!

Unfortunately, the severe bout of Influenza which has been doing the rounds of Rockhampton has meant that some staff have been away from school. This is unavoidable and we try to ensure all classes continue with their program of instruction. I thank you for your understanding in this regard.

We had a number of students participate in the Choral Festival on Monday this week. I had planned to go and watch them perform but got tied up at school. The reports I received back to me were very positive and the students represented the school to a high standard. Thank you to Ms Goodsell, Mrs Lancaster and Mrs O’Farrell for the work they have done around this event and for accompanying the students on the day.

I have been involved in the selection of teachers to take on the role of Year 7 as part of the Junior Secondary Pilot commencing next year at Glenmore High School. The panel has interviewed a number of high quality applicants and I am confident that students attending the High School will be in good hands. The Junior Secondary model is taking shape with the Year 7 precinct under construction at the moment and the timetable being finalised. It is essential that you attend an interview at the High School if your child is enrolling in either Year 7 or Year 8 next year.

More information can be obtained by contacting Glenmore High School.

DAFFODIL DAY
THANK YOU TO EVERYONE WHO WORE YELLOW ON DAFFODIL DAY.
We raised $649.00 with our Free Dress Day and sales of daffodils and other Daffodil Day merchandise. Thanks also goes to Mrs Barram’s Prep A class for planting marigolds throughout the school to help with the Daffodil theme “Grow Hope”.

AMSCO INFORMATION EVENING
AMSCO is Glenmore State High School’s Accelerated Mathematics, Science and Computer program. AMSCO caters for Year 8 and 9 students who are good at Mathematics and Science (academically they should be in the top quarter of their year level), have an interest in computers and have good behaviour and a strong work ethic.

In addition to AMSCO, we will possibly form a Year 8 Extension class, for students with good behaviour, a solid work ethic and who are academically above average in their studies.

To inform students and parents about the award-winning AMSCO Program and the possible Extension class for Year 8 students in 2013, we are holding an AMSCO Information Evening on Tuesday 18 September 2012 commencing at 6.00pm in N Block room at Glenmore High School. The evening should finish by 6:45pm. The AMSCO test will occur on Tuesday 9 October 2012 in the school library annex area commencing at 4:00pm and finishing at 5:15pm. More information will be available at the AMSCO information night.

If you wish further information about these programs but are unable to attend on the night, please contact Andrew McCosh on 4923 338 during school hours, or via email at amcco43@eq.edu.au

FUN RUN
All forms are due in no later than Monday 10 September. Please hand forms and money into the school office.

JUNIOR BIKE CHALLENGE
ROLL UP ROLL UP!
If you are planning to be involved in the Chaplaincy Fundraiser Event on Saturday 15 September, then get your registration forms to the school office by Monday 10 September.

How Far Can You Ride?
